

**SUPPLEMENTAL COVID 19 FACILITY USE AGREEMENT
EASTON PUBLIC SCHOOLS**

In seeking to secure use of _____ (the "Facility") for the purpose of (organization/sport) _____, I agree to assume and satisfy the below-listed requirements and responsibilities assigned to the Town of Easton, which serves as Facility Operator as, such term is described in part of the Reopening Massachusetts plan for reopening recreational facilities during the Governor's State of Emergency relating to the COVID-19 pandemic. I additionally agree to satisfy all the requirements assigned to me as the Organizer of an amateur sports activity as established by the Massachusetts Executive Office of Energy and Environmental Affairs; and further agree to comply with all additional requirements imposed by the Town of Easton for use of the Facility. I acknowledge and agree to accept responsibility for complying with, enforcing and/or completing the following (please initial each bullet):

___ For team and group sports, no more than 25 players or participants can be on a single playing surface/area/court at any one time. The number of coaches and staff should be limited to the smallest number that is reasonable and practical. Larger playing areas and surfaces, such as athletic fields, tracks, facilities that have multiple courts or playing areas, may be used by more than one group at one time, provided that adequate social distance and group separation can be maintained.

___ All participants, coaches, and staff taking part in the events that I am organizing shall be required to execute a release in a form provided by the Town of Easton, a copy of which is attached hereto, releasing the Town of Easton from any and all liability. I agree to release and indemnify the Town of Easton from any liability, costs, fees and damages that may arise with respect to a participant that has not executed a release.

___ To ensure group separation, groups must be spaced at least 20 feet apart while sharing a single playing surface, court or field.

___ Spectators must maintain distance of at least 6 feet between spectators groups and wear mask. Operators are encouraged to mark off spectator/chaperone viewing sites to allow for social distancing. Spectators should be encouraged to wear masks.

___ Limit any nonessential visitors, spectators, staff, volunteers, and activities involving external groups or organizations as much as possible.

___ Ensure that individuals are not congregating in common areas or parking lots following practices or events.

___ I will supply my employees/coaches with adequate cleaning products (e.g., sanitizer, disinfecting wipes).

___ Any concessions or food service must follow the Safety Standards for Restaurants and obtain a permit from the Easton Board of Health.

___ All high touch surface areas must be cleaned at the end of each activity.

___ Activity start and end times will be staggered or other protocols will be put in place to limit contact between all visitors as much as possible. This also allows for more time to clean the facility between users.

___ A Facility Use Form and insurance certificate must be submitted to the school department or athletic director 72 hours in advance for approval.

___ All persons who come to Facility, including staff, participants, and spectators, must be logged (name and phone number or name and email address) to facilitate contact tracing.

___ Encourage participants and attendees who test positive for COVID-19 to disclose to the organizing entity for purposes of cleaning / disinfecting and contact tracing. If the event organizer is notified of a positive case at the facility, the organizer shall notify the Easton Board of Health (BOH) and assist the BOH as reasonably requested to advise likely contacts to isolate and self-quarantine. Testing of other participants and attendees may be recommended consistent with guidance and / or at the request of the BOH.

___ Conduct frequent disinfecting of heavy transit areas and high-touch surfaces (e.g., doorknobs, handrails, etc).

___ In event of a positive case, I understand the Facility will be shut down for a deep cleaning and disinfecting in accordance with current guidance and that I may be assessed for the cost of the deep cleaning and disinfecting (Custodial/DPW over time hours and materials).

I understand that failure to comply with these standards could result in the revocation of my authorization to use The Town of Easton facilities and the forfeiture of any fees paid to the Town of Easton.

I further agree that I will release, hold harmless the Town of Easton and its officers, agents and employees from any and all suits, claims, injuries, damages, fees, costs and liability of any kind that may arise from my organization's use of the Facility.

I further acknowledge that I understand and acknowledge that this agreement imposes substantial legal obligations upon me and that I have had a full opportunity to consider the same and consult with an attorney, at my option with respect to the same.
