

EASTON PUBLIC SCHOOLS

Welcome NUTRIKIDS Point of Sale & MySchoolBucks Online Meal Payments

August 18, 2016

Dear Parent(s)/Guardian(s),

The Easton Public Schools' Food Service Department recently evaluated our computerized Point of Sale (POS) system and has made some changes to increase the level of service and provide accurate school meal accounts. We are excited to announce we will be launching NUTRIKIDS® POS on August 25, 2016.

At the K-2 level students will continue to use their 4 digit PIN number and grade 3-12 students will use their ID number or Student ID Card.

If your child has qualified for free or reduced meal prices, this information will be noted in the system, and the meal will be processed just as it is for all other students, without any special indication to the students. If you have not yet filled out a new Free & Reduced Meal Application for this school year, please do so as soon as possible.

We are also excited to offer **MySchoolBucks®!** This secure, online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check. This service allows you to deposit money directly into your child's school meal account and view balance/purchase information for the past ninety days. By having money in each child's account prior to entering the cafeteria, the lunch lines will move along much faster, which gives your child more time to eat and be with friends. You can also view recent purchases, check balances, and set-up low balance alerts.

MySchoolBucks provides:

- **Convenience** - Available **24/7 on the web** or through our **mobile app** for your smartphone
- **Efficiency** - Make payments for all your students, even if they attend different schools within the district. Eliminate the need for your students to take money to school.
- **Control** - Set low balance alerts, view account activity, recurring/automatic payments & more!
- **Flexibility** - Make payments using credit/debit cards and electronic checks.
- **Security** – MySchoolBucks adheres to the highest security standards, including PCI and CISP.

Enrollment is easy!

1. Go to www.MySchoolBucks.com and register for a free account.
2. Add your students using their school name and student ID.
3. Make a payment to your students' accounts with your credit/debit card or electronic check.
A program fee may apply. You will have the opportunity to review any fees and cancel if you choose, before you are charged.

4. Your Balance from our old system will be carried forward to the new system.

We are very excited to offer this new service and are confident that MySchoolBucks will benefit you, your child and our District.
