

Welcome to Third Grade!

Hi! I am so excited to welcome you to a new school and my third grade class. Third grade is awesome, it was actually my favorite grade growing up! (Shhh! Don't tell our 4th and 5th grade teachers 😊) I grew up in Easton and felt those same first day nerves coming to RO as you might be! I am really looking forward to meeting you. We are going to have a great year together. I can't wait to teach you cursive, read with you, do science experiments together and so much more. I hope you are enjoying your summer vacation. When you arrive at school, our room is at the end of the second floor hallway, room number A209. There will be many helpers around to help you find your way. I will also take you on a tour during the first day to show you around our school!

When you come to school you should bring a snack, water, pencils, an eraser, a ruler, glue sticks, scissors, a highlighter, crayons, colored pencils, a dry erase marker, a pocket folder, a supply case, and a pair of inexpensive headphones in a ziplock bag for your computer. Please don't forget to put your name on everything!

Throughout the year we will be learning a lot about each other. Let me tell you a little bit about myself. I live in Mansfield. I have a dog named Zoey (I'm sure you will hear plenty of stories about her this year!). I love to read, cook and bake in my free time. I can't wait to learn more about each other's "favorites" such as, color, animal, food, etc.

I am very excited for school to start. I can't wait to meet you and look forward to spending the year together!

Your teacher,

Miss Warfield
