

Dear Students and Families,

Welcome to 3rd grade! I hope you are enjoying your summer vacation! I am so excited to be your third grade teacher for the 2023 - 2024 school year. We will learn a lot and have fun along the way.

Before the school year begins, I want to share a little bit about myself! This will be my third year as a 3rd grade teacher at RO. I teach all subjects but my favorites are math and science. In my free time, I like to travel, spend time with friends and family, snowboard, and work on arts and craft projects. I love the Patriots and anything that has to do with Marvel and Star Wars. I am looking forward to getting to know you!

Our classroom is room A116 and it is on the first floor of the Richardson wing. On the first day of school don't forget to bring your school supplies, your fully charged chromebook, headphones, a snack, and a water bottle. The school supply list is on the RO website.

I am so excited to see you in September and get to know you throughout the school year! We are going to have a terrific year. If you have any questions, please feel free to email me at jyee@easton.k12.ma.us. Enjoy the rest of your summer vacation! 😊

Sincerely,
Ms. Yee
