

Hello Parents/Guardians,

The following page has lists of supplies that will help your child be successful in grade two. Please know that I am not expecting these all on day one. Please just send them in as you are able to over the first few weeks. I have what we need to get started and just want the kids to come in and enjoy their first day. If you are unable to get any of these items, I will make sure your child has everything they need. We will be pooling most of our supplies in our group buckets helping us to learn to share and be a community so nothing fancy is needed. Thank you so much for your support!

Best,

Casey Rogers

MRS ROGERS' SCHOOL SUPPLIES LIST

|   |  |  |
|---|--|--|
| Two 24 packs of crayons                       | 1 pack of fine tip markers   | 1 pack wide tip markers  |
| 1-2 Bottles Sanitizer Wipes                   | 2 packs of colored pencils   | 2 packs Ticonderoga Pencils  |

| Hand wipes   | Hand Sanitizer  | Fun Stickers   |

Dear Students and Families,

Hello! My name is Mrs. Rogers. I will be your second grade teacher at Blanche Ames after summer vacation. We have so much to learn and memories to be made 😊 I have been teaching in the Easton Public Schools for 23 years and feel lucky to be a part of such a great school district.

I'm looking forward to finding out all about you, your interests, and what you like to learn about. I love learning about everything especially in science and reading books. I also love taking my three kids, Ethan, Ainsley, and Charlotte, on adventures, watching them play sports, hiking, listening to music, spending long days at the beach, but mostly enjoy spending time with my students, friends, and family.

I hope you have a great summer with your families. Feel free to email me about your adventures! My family will spend time at the ocean, in the mountains, camping, taking road trips, visiting friends and family, and playing with our puppy Dahlia.

Because we have so much to learn, I will email a list of supplies to you and your family in July that will help us get our jobs done well.

I can be reached at [crogers@easton.k12.ma.us](mailto:crogers@easton.k12.ma.us) with any questions.

Your Grade 2 Teacher,

☀️ Mrs. Rogers
