

Dear Families,

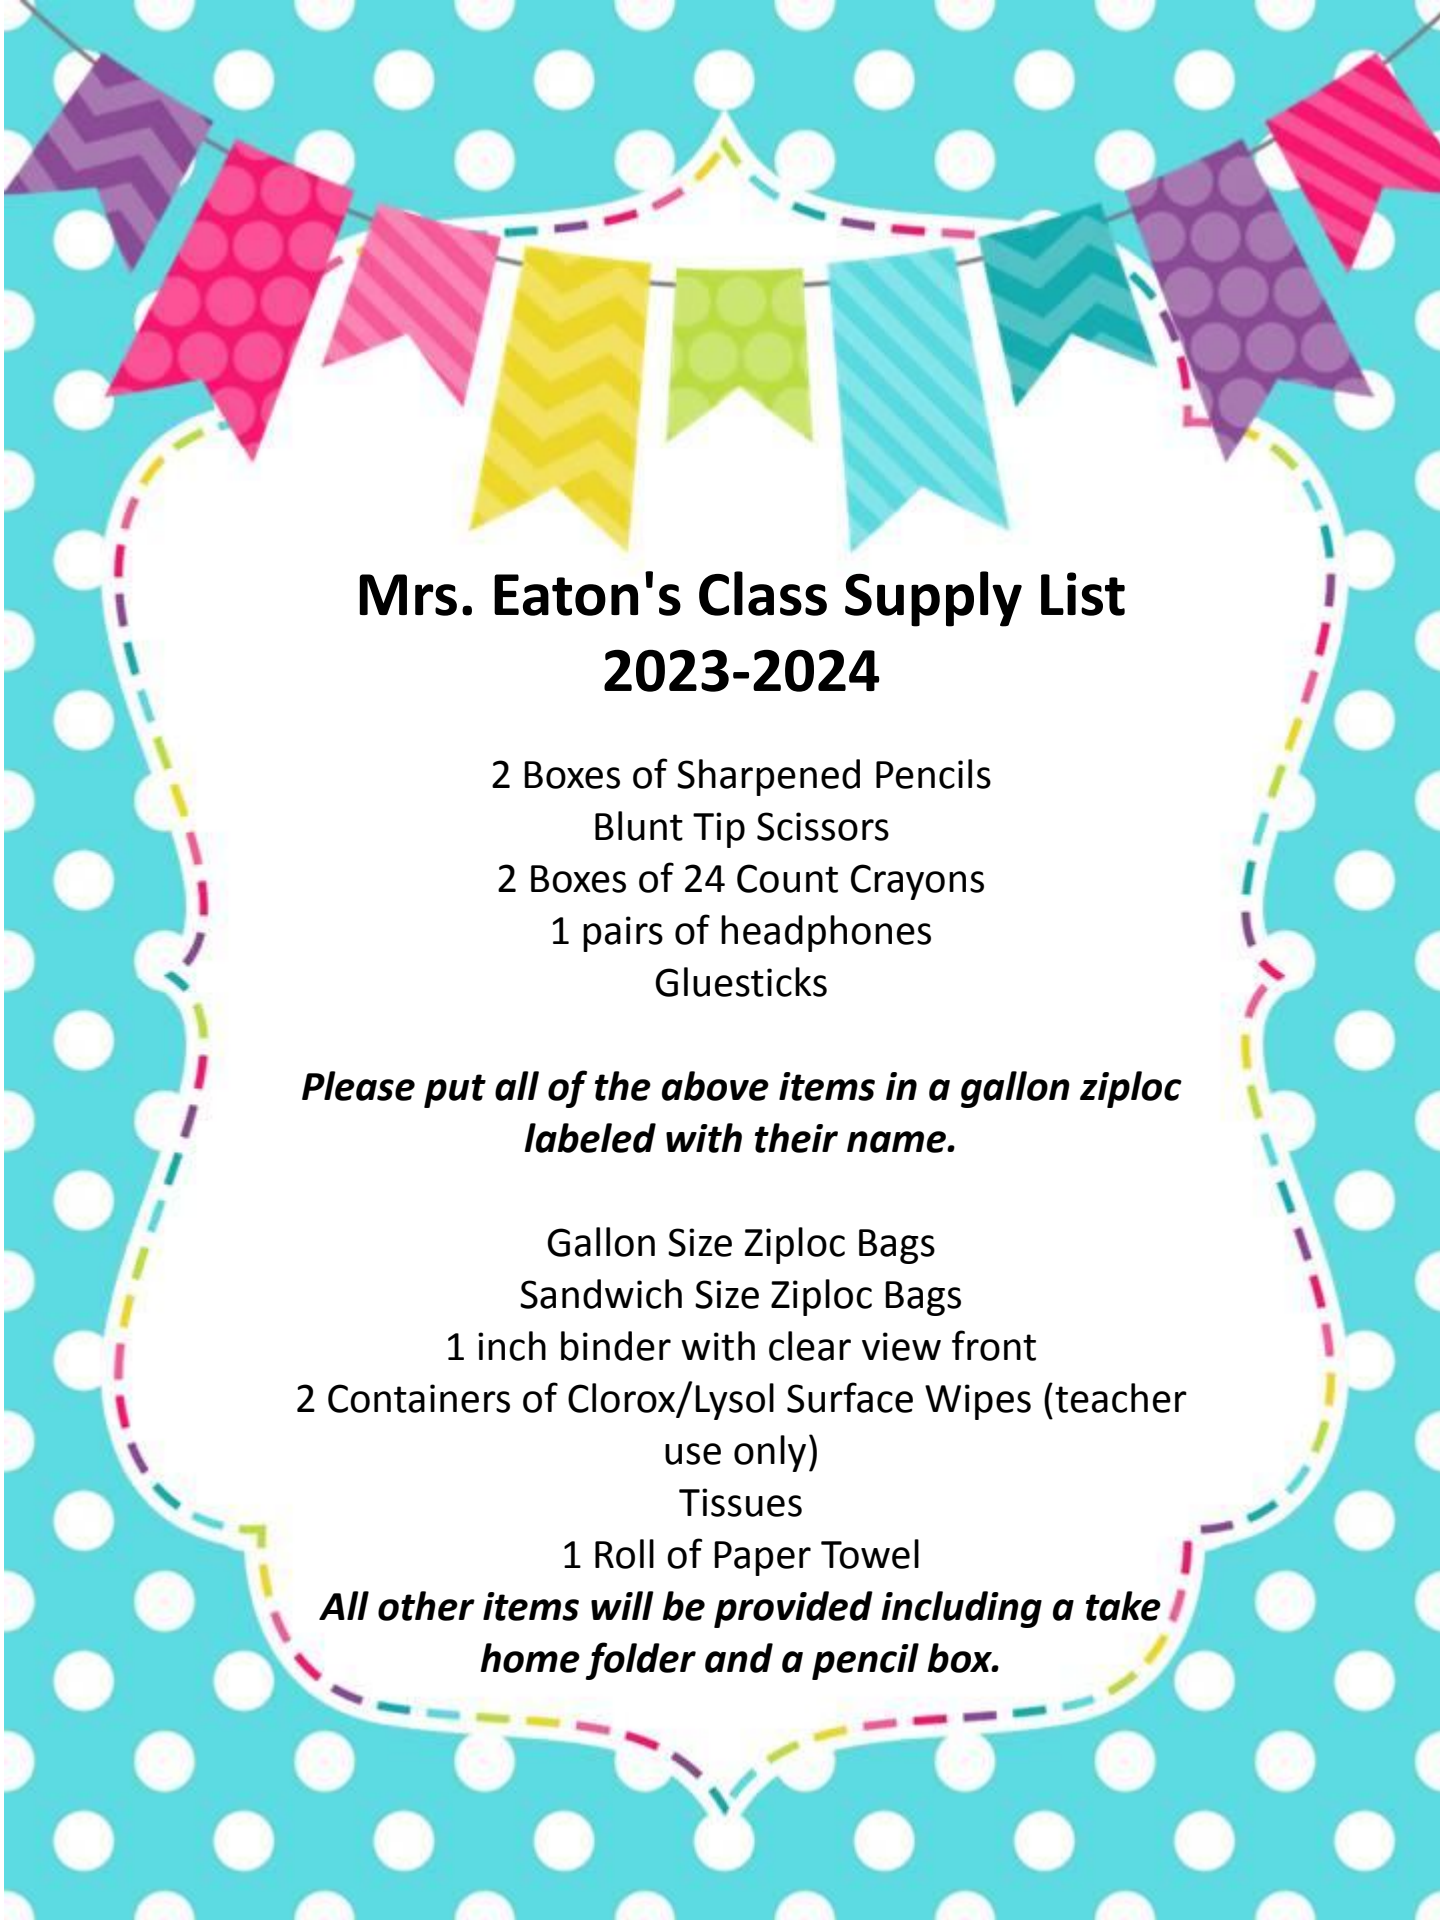

Welcome to second grade! My name is Dinelle Eaton and I am very excited to have your child in my class this year!

For eighteen years I have been teaching in many different capacities including as a special education teacher in pre-k through fifth grade, a first grade teacher, first/second grade looping teacher and for the last seven years as a second grade teacher in Easton.

Second grade is a year of incredible growth and development. My goal is always to provide your children with a learning environment where they can build their confidence as they grow as readers, writers, mathematicians and overall learners. Most of all I strive for our classroom to be a place where your children can't wait to go everyday!

I am looking forward to teaming with you to make this year an extraordinary school year.

**Sincerely,
Dinelle Eaton**
