

Welcome To 2nd Grade!

Dear Parents and Students,

I want to welcome all of you to second grade!!! I am SO excited to meet all of you again on our first day of school! You may or may not know some of the students in our class but we will be learning all about each other as the school year begins and we will be making new friends along the way. I have been teaching in the Easton Public Schools for more than 20 years as a classroom teacher and a special education teacher, spending most of those years as a second grade teacher. Some of the things I enjoy over summer vacation are spending time with my family and our dog, Lexie, going camping, going on day trips, and spending time at the beach with my friends. I hope all of you are having a well deserved summer vacation. I can't wait to hear about all of your summer adventures when we all meet together on our first day of school.

As usual, students should come to school with certain supplies. Please review the supply list carefully and make sure that you have all of the appropriate items as listed. Unfortunately, due to limited desk space, any extra school supplies will have to be returned home. Please bring only what is listed. Supplies should be brought into school within the first week if possible, labeled with your name. We will have a snack break each day. Please remember to bring in one nutritious snack and drink beginning with the first day of school, separate from your lunch. Snacks can not be given out or shared among students.

Once again, welcome to second grade! First day of school is Wednesday, August 30th. Our classroom is Room E-202, on the second floor (purple hallway). I hope everyone is having a wonderful summer vacation and I look forward to seeing all of you soon!

Sincerely,
Mrs. Esmeraldo
