Dear Second Grader,

My name is Mrs. Sanpietro, and I am so happy to be your teacher this year. Second grade will be such an exciting year! We will learn so many new things together. We will read and write stories and poetry, play math games, learn about our world and so much more!

Our classroom is built on kindness and compassion. We will learn to listen to each other and to lend a helping hand. We will celebrate what makes us different while also finding things we have in common. Together we will build a caring classroom community.

I thought I'd tell you a little about myself. In addition to being a teacher, I'm also a mom! My husband and I have three grown children, Mike, Grace and Lily. Last year we gained another daughter when our son married his wife, Rebecca. We also have a dog named Sheppie and a cat named Peeta. My favorite place in the world is Maine, and I travel there with my family several times a year. I can't wait to hear all about your families and the things you like to do!

I hope you have a nice rest of the summer. I look forward to seeing you on August 30th!

Your teacher,

Mrs. Sanpietro

p.s. Please bring the items listed on the next page with you on the first day of school. :)

Mrs. Sanpietro - Grade 2 - Supply List

- 2 durable, plastic two-pocket folders
- 1 wide ruled composition notebook - like this  
- 1 box (12 count) #2 pencils (sharpened)
