

WELCOME

Dear Families,

Welcome to second grade! My name is Molly McCarthy and I am so excited to be your child's teacher this year. This will be my third year teaching in Easton. I am looking forward to another exciting year at Blanche Ames!

Second grade is an incredible year of growth. My goal is always to instill confidence and a love for learning in each child. It is so exciting to watch them learn and grow as readers, writers, mathematicians, and overall learners throughout the year in second grade. I always strive for our classroom to be a place your child looks forward to coming everyday!

I am looking forward to a wonderful year together!

Sincerely,
Ms. McCarthy
