READ a good mystery.  But the greatest adventure of all is being a teacher...and WHAT an adventure your second grade year will be this year! Together, we will be exploring Blanch Ames, and making it our own. I know we are going to have a wonderful year, as I welcome you to our Grade 2 Tiger Cub Family!

Let's dive in together!

Your Teacher...

Miss Krockta

Dear Parents,

July 2023

I am very excited about teaching at the Blanche Ames school this year. I have been teaching in Easton for 25 years, and after the last three, I am up for just about anything!

Children learn best through doing, so we will be engrossed in as many “hands on,” activities as possible. From the first day, I will be fostering both independence and community, in a nurturing environment. Keeping with the philosophy of respect and kindness, (as a class) we will share the set up of classroom work spaces, as well as develop expectations for behavior and participation. *I will also teach your child how to organize, so hopefully, you will start seeing much cleaner bedrooms as they get better at this!*

We will continue utilizing Seesaw as a communication tool for parents and teachers. If you didn't use it last year, *Please **email me** with the primary email address(es) you would like to use for next year and the parent/guardian names associated with the email address(es). My email address is kkrockta@easton.k12.ma.us. I'd like us to get to know each other as a team, and develop our open lines of communication.

Following is a list you will need to supply, on the first day of school:

- *1 Marbled Wide Ruled **Composition Notebooks** (NO spirals please!)
- *1 **Headphone** (with a **microphone** on the wire work best)...+ for noise canceling
- ***Fiskar Scissors**
- ***24 Box (max)** or **x 12 box Crayola Crayons**
- *1 **Canister** of antibacterial **hand wipes** (Example: Wet Ones)-for quick snack clean up
- * **1 Box of tissues**
- * **1 good Sealing water bottle** for your child's desk to stay hydrated with dry work spaces
- * **1 (Gallon or 2 gallon)** box of **Ziploc** bags-for projects and supplies

Welcome to our second grade community!
