

Hi!

I'm Mrs. Powers

Welcome to Kindergarten! I am very **excited** to be your teacher this year! I am busy getting our classroom ready for all of our new friends. I can't wait to meet you and begin a fun-filled year together!

Kindergarten is packed with tons of **wonderful** things to learn. We will explore letters and numbers...and even learn to read! We will play, create, share and discover together as a classroom community. I look forward to spending the **best year ever** together!

Please email me when you get my letter to introduce yourself. I would love to know all about your summer! Be sure to include a picture of yourself doing something fun. ☺ I can't wait to hear from you!
