Dear Almost First Graders,

It was very exciting to get to meet you today! I am looking forward to a wonderful year together. We will have a great time learning together Room C-205. First grade is full of fun activities and exciting special events. Attached to this paper, I have given you a fun word search with all your classmates names and a reading log. On the back side of this paper, is a supply list of what you'll need for the first day of school. Try telling your family something you learned about our class today. I'm very excited to build our new community together. If your grownup at home has any questions they can email me at Lresca@easton.k12.ma.us. Make sure to read, write and practice your math facts over the summer! Can't wait to see you all soon.

Your new teacher,
Mrs. Resca
