Dear Almost First Graders,

It was very exciting to get to meet you today! I am looking forward to a wonderful year together. We will have a great time learning together Room B-210! First grade is full of fun activities and exciting special events. On the back side of this paper, is a supply list of what you'll need for the first day of school. Try telling your family something you learned about our class today. I'm very excited to build our new community together. Like any good learner, you should spend some time getting ready for our journey. Attached I am providing you some of the skills you can practice; including reading, writing and math.. If your grownup at home has any questions they can email me at cwright@easton.k12.ma.us. Can't wait to see you all soon.

Your new teacher,
Mrs. Wright
