The Town of Easton, Massachusetts (“Owner”) is seeking the services of a qualified “Designer” within the meaning of M.G.L. Chapter 7C, Section 44, to provide professional design and construction administration services for the Easton Public School Security Upgrades Project. The Owner is seeking proposals from qualified, experienced Architectural/Engineering firms for design services for upgrades to existing security systems at the Oliver Ames High School, Easton Middle School, and Richardson Olmstead School; state and local permitting; final design and permitting, pre-qualification and bidding; and construction administration. The contract between the Owner and the Designer will include continued designer services through design development, construction contract documents, bidding, award of construction contract(s), construction administration, final close out and warranty period of the project. The estimated construction budget is approximately \$30 Million. The Fee for Basic Services will be negotiated. The total project duration will be approximately 112 weeks. All questions regarding this Advertisement should be addressed in writing to the OPM, John Cutler at Symmes Maini & McKee Associates, Inc. (SMMA). Email: jcutler@smma.com **Procurement Documents** the Procurement Documents (Request for Services) will be available via email request on October 11, 2023, at 9:00 AM. Email the Owners Project Manager for the release of procurement documents. Email: jcutler@smma.com **Briefing** All interested parties are encouraged to attend a briefing session on Tuesday October 19, 2023, at 2:45 PM at the Oliver Ames High School, 100 Lothrop St., North Easton, MA 02356
