Special Education  
Parent Advisory Council

*Information and Resources*

## **About Easton SEPAC**

The Easton Special Education Parent Advisory Council (SEPAC) is for families like yours. We are a community of volunteer parents who meet regularly to provide a forum for families to discuss concerns, share information and resources, provide support, learn more about special education, and to advocate for our children. Our meetings are open to all caregivers. Please join us at our upcoming events, as we would love to meet you and hear how we can help your family. We offer regular educational seminars and support groups.

Our parent representatives are in each school to help you along your journey. Please reach out to them for support.

## **ABILITY AWARENESS DAYS**

Easton SEPAC Ability Awareness Days is a hands-on model that teaches students what it's like to walk in someone else's shoes. Our social-emotional curriculum features activities that teach empathy, respect, and kindness. We are always looking for volunteers for this wonderful program for our 2nd and 4th graders. Please contact us if you would like to help.
