

## Meeting 4 Agenda

1-hour Meeting

### **Overview:**

During this fourth meeting, school wellness committee members will meet to discuss goals for next year. After introductions, the Committee will review endeavors to publicize and train staff and families about the updated policy, discuss goals for next year, and make a plan to assess how well the current policy is being implemented.

### **Objectives:**

- Review current plans for publicizing and training staff and families about the updated policy.
- Begin assessment of how well the current policy is being implemented using the Massachusetts Local Wellness Policy Implementation Assessment
- Discuss goals for 2025-2026 school year
